LINDSTROM ESTATE GIFTS SUPPORT BETHANY CAMPUS IMPROVEMENTS

LINDSBORG, Kan.—Bethany College recently received substantial gifts to further its campus improvements. Funds from the estate of Glenn R. Lindstrom have been designated for use in renovations at Anderson Stadium, the addition of new laboratories at Nelson Science Center and the completion of Bethany's Campus Green project.

"Glenn Lindstrom's generous gifts to Bethany will have a lasting influence upon our campus and our community, and for that, we are very grateful," said Woody Meredith, vice president for advancement.

Work scheduled for Anderson Stadium next summer includes the renovation of the stadium's rest rooms and concession stand. The Glenn Lindstrom estate designated \$100,000 to assist with the renovations.

Over \$75,000 from the estate will be used to help fund the addition of three new laboratories to Nelson Science Center. Work began at Nelson last summer as part of Bethany's bonding project, and the new labs are scheduled to be in use at the beginning of the 2009-2010 academic year at Bethany.

Finally, \$100,000 from the estate will be used to help complete the Campus Green project, which has transformed Bethany's campus landscape. Next spring, new sidewalks will be added in front of Swede Suites – Bethany's new apartment-style residence hall – as well as in front of Hahn Gymnasium, leading to the ticket booth at Anderson Stadium.

Anderson Stadium includes Clyde and Glenn Lindstrom Field, a new multi-purpose artificial turf field made possible in part because of a \$700,000 gift from the estates of Clyde and Glenn Lindstrom. The Lindstroms were farmers, ranchers and brothers who resided on their family's farm just southwest of Falun, Kan. Both Clyde and Glenn Lindstrom passed away in 2007.

Bethany College, established by Swedish Lutheran immigrants in 1881, is a college of the Evangelical Lutheran Church in America. The mission of Bethany College is to educate, develop, and challenge individuals in their search for truth and excellence as they lead lives of faith, learning and service. Bethany College is on the Web at www.bethanylb.edu.
